## What is the manner in which your investments are held through Panorama Investments?

In relation to Panorama Investments, all investments other than listed securities are held in the name of BTPS, as custodian. BTPS is therefore the legal owner of these investments, and will hold the assets on trust for you, meaning you retain beneficial ownership of the investments.

In relation to listed securities held through Panorama Investments, BTPS has appointed a sub-custodian to hold the assets. The sub-custodian will hold those assets on trust for BTPS – that is, the sub-custodian will hold the legal title to the assets for BTPS, and BTPS in turn will hold the beneficial interest in those assets for you.

BTPS and the sub-custodian may use pooling arrangements, under which some of your assets are held in omnibus accounts. The use of omnibus accounts to hold financial assets is common industry practice. Assets held through an omnibus account are held in the name of the custodian or its nominee, rather than in individual accounts for each underlying investor. Records are maintained by BTPS or the sub-custodian to allow clear identification of the quantity of assets held for an investor through the omnibus account. By approving and submitting your online application, you will be consenting to the use of omnibus accounts by BTPS, and any sub-custodian engaged by BTPS.

The role of BTPS as custodian, and the role of the sub-custodian, is limited to holding and maintaining your assets held through Panorama and dealing with those assets in accordance with directions received from you. Other services undertaken by BTPS in its role as custodian, and by

the sub-custodian, generally include collecting income in connection with your assets held in custody and arranging settlement of purchases and sales.

As at the date of this FSG, BTPS has appointed The Hongkong and Shanghai Banking Corporation Limited, Sydney Branch ABN 65 117 925 970 AFSL 301737 (HSBC) (Level 36, Tower 1, International Towers Sydney, 100 Barangaroo Avenue, Sydney, NSW, 2000) as the sub-custodian to provide custody services to us in relation to listed securities. Any liability or responsibility which HSBC has under the sub-custody arrangements are to BTPS only. HSBC does not provide a supervisory role in relation to operation and/or management of Panorama nor has it been involved in the preparation, nor has it authorised or caused the issue, of this FSG.

You may make a written request to us for a statement acknowledging the manner in which your investments are held through Panorama Investments.

This section does not apply to Panorama Super, the Panorama SMSF Establishment Service, the Panorama SMSF Administration Service and BT Super Invest. For more details on how your investments are held in Panorama Super, refer to the PDS.

# Information about fees and other benefits

## What fees and other benefits are received by us for providing financial services to you?

The fees, charges, commissions and other benefits (together referred to as 'Fees' in this FSG) that BTPS, BTFM and WFSL receive depend on the financial product you select. These are summarised below.

Detailed information on Fees payable are set out in the relevant PDS, Investor Guide or other disclosure document.

These Fees do not simply represent our profit margins, but also go towards covering our costs and overheads. The Fees may also be shared with third parties (including the Distributors

of Panorama), as set out in this FSG under the heading 'Fees received by related entities and our association with product issuers'.

The total Fees you pay in respect of your Panorama Investments account (including fees in respect of the Panorama SMSF Establishment Service and the Panorama SMSF Administration Service) or your Panorama Super account, comprise the fees charged by BTPS, adviser fees, dealer group fees, transaction costs, Trustee fees (in respect of Panorama Super only), government and other fees and charges BTPS and BTFM incur in relation to managing and administering your Panorama Investments account or your Panorama Super account and setting up your SMSF or

administering your SMSF. It will also include fees and charges of any underlying investments you choose, and insurance premiums payable on any insurance cover you access through Panorama Investments or Panorama Super. The actual Fees payable by you will depend on the financial product or service you acquire and such Fees will generally be set out in the FSG, statement of advice or other disclosure documents provided to you in relation to that financial service or financial product.

The following table sets out the fees and charges BTPS, WFSL or BTFM (as trustee of Panorama Super) may receive in relation to Panorama Investments, the Panorama SMSF Establishment Service, the Panorama SMSF Administration Service and Panorama Super.

Fees and charges received	Fee description
<b>Management costs (BT Managed Portfolios only)</b>	<p>WFSL receives investment management fees. The amount payable will depend on the managed portfolio option you have selected. <b>Listed security transaction fee (Panorama Investments and Panorama Super)</b>	<p>There is a transaction fee payable to BTPS if you acquire or sell listed securities through Panorama Investments and Panorama Super. The fee will be charged based on the value of the transaction. However, if the transaction needs to be managed by the broker (for example, due to insufficient liquidity in the market), a different rate will apply. This is also subject to a minimum charge per transaction in all cases.<sup>1</sup></p> <p>The listed security transaction fee is deducted from your BT CMA (for Panorama Investments) or your cash account (for Panorama Super) at the time the transaction is settled.</p>
<b>Transaction fees (BT Managed Portfolios only)</b>	<p>There may be a transaction fee in relation to buying and selling listed securities in your portfolio. The fee will be charged based on the value of the transaction.</p>
<b>Other account fees (Panorama Investments, Panorama Super, BT Managed Portfolios)</b>	<p>BTPS and WFSL may pass on to you all out-of-pocket expenses incurred on your behalf, such as bank fees and government duty. If these are passed on to you, unless otherwise arranged between you and BTPS, the Trustee or WFSL, these expenses will be debited from your BT CMA (for Panorama Investments), your cash account (for Panorama Super) or the cash allocation of your portfolio (for managed portfolios) when they are incurred.</p>
<b>Panorama SMSF Establishment Service and Panorama SMSF Administration Service fees</b>	<p>There is a SMSF establishment fee if you take up the Panorama SMSF Establishment Service. The amount BTPS receives depends on whether you establish your SMSF with individual trustees or a corporate trustee. The SMSF establishment fee will be deducted from your SMSF's BT CMA or BT CMA Saver, as applicable, once your SMSF's Panorama Investments or BT CMA Saver account, as applicable, is activated and there are sufficient funds in your account.</p> <p>There is also a SMSF administration fee if you take up the Panorama SMSF Administration Service. The amount received by BTPS depends on the administration package you have signed up for (which is based on the complexity of your SMSF's assets and member circumstances) and whether you require any additional administration services (for example, prior year returns). The SMSF administration fee will be deducted from your SMSF's BT CMA, or BT CMA Saver, as applicable, monthly in arrears with an annual adjustment at year end, if applicable.</p>
<b>Fee allocations and platform payments (Panorama Investments and Panorama Super)</b>	<p>In respect of Panorama Super, the Trustee may pay up to 100% of the fees and costs deducted from your account (other than Expense recovery and fees you direct to be paid to your adviser/dealer group) to BTPS and/or the Distributors of Panorama. In respect of Panorama Investments and Panorama Super, BTPS may pay to the Distributors of Panorama and/or in limited circumstances your adviser's dealer group, up to 100% of the fees and other payments it receives, including the amounts referred to under 'Platform service fees and other payments' below. BTPS pays these amounts out of its own funds and they are not an additional cost to you. The amount BTPS receives depends on the arrangements BTPS has agreed with the distributor of your account.</p>
<b>Platform service fees and other payments (Panorama Investments and Panorama Super)</b>	<p>BTPS may, subject to law, receive service fees or other payments of up to \$22,000 pa per responsible entity, or in some cases per fund manager (which are subject to annual review and may increase by up to \$500 pa) plus up to \$8,800 pa per managed fund (which are subject to annual review and may increase by up to \$200 pa) from responsible entities and/or fund managers whose funds are available through Panorama Investments or Panorama Super. The fees quoted are exclusive of GST.</p> <p>The amount of these payments may change from time to time and are paid by the responsible entities and/or fund managers out of their own resources and are not paid by you.</p>

Fees and charges received	Fee description
<b>Insurance payments (Panorama Investments and Panorama Super)</b>	If you hold a Panorama Investments or a Panorama Super account and you elect to take out insurance, we may receive upfront commissions, as determined by the arrangement in place with the relevant insurer and the Administrator (for Panorama Investments) or the Administrator or Trustee (for Panorama Super). The relevant insurer will pay these commissions to us periodically for as long as you hold the insurance product. We may pass some or all of our commissions to the Distributor and/or your financial adviser.
<b>Cash account fee (Panorama Super only)<sup>2</sup></b>	<p>BTPS will collect a cash account fee for the administration of your cash account.</p> <p>This fee is the difference between:</p> <ol style="list-style-type: none"> <li>a. the interest rate earned by BTPS on the underlying bank accounts BTPS maintains at Westpac in which the cash that constitutes your cash account is deposited, and</li> <li>b. the interest rate BTPS declares for your cash account and which is payable to you.<sup>3</sup></li> </ol> <p>The cash account fee is charged before interest is credited to your cash account at the end of each month in arrears. The cash account fee is paid out of the cash BTPS deposits in the underlying bank accounts BTPS maintains at Westpac and is not separately deducted from your account balance.</p>

- 1 If it has been requested that your order remain valid unless it is cancelled and the order is transacted over more than one day, the minimum charge applies for each day a transaction occurs.
- 2 For Panorama Investments, refer to the BT Cash Management Account and related Payment Services Terms and Conditions for information on any fees and charges applicable to the BT CMA.
- 3 You can contact your adviser or the Panorama Support Team to confirm the current interest rate declared by the Administrator.

## How are employees remunerated?

Staff Members receive salaries (generally paid fortnightly or monthly), bonuses and other benefits. Bonuses are based on the performance of the Staff Member, including the level of product sales and by reference to other performance measures. Bonuses are paid quarterly, half-yearly or yearly and may, in certain cases, instead be paid by way of superannuation contributions or shares in Westpac. Staff Members may also be rewarded with monetary and non-monetary incentives and benefits from time to time if they meet certain performance targets (including their own sales). The incentives range from small non-monetary rewards such as movie tickets to more valuable benefits such as pre-paid holiday packages and attendance at conferences.

Monetary payments to Staff Members are made by payment into an account nominated by the relevant Staff Member.

It's not possible to determine at any given time whether a Staff Member will receive the benefits referred to above or to quantify them. The benefits are generally not directly attributable to any particular product or service the Staff Member has provided.

## Fees received by related entities and our association with product issuers

BTPS, BTFM and WFSL have relationships with other entities both within and outside the Westpac Group, such as the Distributors of Panorama and financial advisers. These entities may provide services in relation to Panorama Investments, the Panorama SMSF Establishment Service, the Panorama SMSF Administration Service and/or Panorama Super, or they may deal in or advise on financial products offered through Panorama Investments, the Panorama SMSF Establishment Service, the Panorama SMSF Administration Service and/or Panorama Super.

We may make payments or provide other benefits to these entities. The amount of the payments will vary depending upon a number of factors, including the arrangement we have in place with the entity and the type of services or financial products they provide.

## Fees paid to advisers

You may also agree to pay fees to your financial adviser, your adviser's dealer group and/or your MDA provider and if you direct us, we will collect and pay them to your adviser, your adviser's dealer group and/or your MDA provider (as applicable) on your behalf. These fees will be set out in the FSG, statement of advice or other disclosure document your adviser will give you at the time or as soon as practical after the advice is given. For more information on fees paid to your adviser, your adviser's dealer group and/or your MDA provider please contact your adviser.

## Register of alternative forms of remuneration

We maintain a register that records details of the non-monetary benefits of small value that we receive (including such benefits from providers of some of the products that are available through Panorama Investments and Panorama Super). The register is available for inspection by you and you can obtain a copy by contacting us on 1300 881 716.
